

## Appreciation Letter

Dear Ms. Dhara Dedhiya

Please accept our heartfelt appreciation for representing The Design Village at our partner university Anant National University, Ahmedabad and successfully conducting a three day workshop on “Unlearning” for the incoming batch of 200 first year design students.

We have received a very positive feedback from the students about the workshop, and we hope to continue associating with you every year to conduct such cathartic workshops to know the self, the other and the world.

Keep up the good work and hope you continue touching many more lives with your mentorship.

Thanking You,

**Yours Faithfully,  
For The Design Village Foundation,**
